MARK GOSLING, M.A. (ECON)

Curriculum Vitae

QUALIFICATIONS

- 30 years of experience assessing economic loss in civil litigation. Thousands of assignments completed for clients in BC, Alberta, Saskatchewan and the Yukon.
- Areas of practice include past and future income loss, loss of earnings capacity, pension loss, financial benefits of interdependent relationships, cost of future care, financial support, household services, income tax gross-up and investment fund management fees.
- Has provided expert evidence in more than 100 proceedings. Qualified as an expert witness before the Supreme Court of British Columbia, the Alberta Court of King's Bench, the Saskatchewan Court of King's Bench and the Canadian Human Rights Tribunal.

EDUCATION

Master of Arts in Economics, Simon Fraser University	1994
Bachelor of Arts (Honours) in Economics, Simon Fraser University	1993

PROFESSIONAL EXPERIENCE

Columbia Pacific Consulting Ltd. 1995 to 2000, 2002 to present

Economic Consultant (Partner since 2018)

- Prepares expert economic reports in personal injury, medical negligence, aviation, labour law, estate and family law matters. Regularly reviews and critiques other economists' reports.
- Oversees development and maintenance of the firm's Excel-based economic loss calculation models. Shares responsibility for directing the firm's activities including information security and privacy.
- Has also undertaken economic and socio-economic impact studies for major investment projects in BC.

Other Experience

Senior Economist, BC Utilities Commission 2000 to 2002

- Analyzed the potential impact of utility programs and regulatory changes on utilities and ratepayers. Reviewed utilities' energy demand forecasts and analyzed utility programs intended to alter customers' energy consumption.
- Reviewed utilities' rate structures to ensure fairness among customer classes, reviewed utility applications and participated in the public hearing and negotiated settlement processes.
- Investigated customer complaints, made recommendations to the Commission and assisted in drafting Commission Orders and Decisions.

PROFESSIONAL AFFILIATIONS

- Member, National Association of Forensic Economics
